

ENVIRONMENTAL POLICY STATEMENT

Wood Mitchell Printers Ltd. Is a company founded in 1901 in Hanley, Stoke on Trent and produces high quality printed products for many local and international Companies.

Through working with both customer and suppliers, Wood Mitchell Printers recognises its work has the potential to have both local and global impact on the natural and built environment and as such, the quality of life for those living within the locality of company activities.

In order to ensure that all company activities are managed in a way that will prevent, control or minimise any real or potential impacts on the environment, Wood Mitchell Printers is committed to the implementation and maintenance of a documented Environmental Management System (EMS) for all of the businesses activities located at Festival Park, Stoke on Trent.

Through the EMS and the conduct of its business, led by the Chairman, Wood Mitchell Printers is committed to the prevention of pollution and continually improving its environmental performance, and will:

Implement and maintain a BS EN ISO 14001:2015 environmental management system.

Comply with relevant environmental legislation

Set and review at east annually, environmental objectives and targets in order to ensure continual improvement and reduced impact on the environment.

Utilise resources in a sustainable manner, using recyclable and re-usable products wherever possible.

Update and improve company procedures in light of new knowledge, understanding the changes to business activities.

Communicate this Environmental Policy Statement to all persons working for or on behalf of the organisation and any other interested parties including partners, contractors and suppliers.

Make the Environmental Policy available to the public on request.

This Environmental Policy will be implemented within the framework of the EMS designed to meet the requirements of **BS EN ISO 14001:2015**. It is the responsibility of all employees to implement this Policy together with their collective and individual responsibilities.
